Dear Huy Vu Nguyen,

Congratulations! We are happy to inform you that your paper:

Multi-View Representation Learning and Cross-View Interaction Modeling for Semantic Candidate–Job Matching

has been accepted to EAI FISAT 2026. The Program Committee has reviewed your submission, you may find their comments and feedback in a follow-up email.

In order to submit your Camera-ready paper, you are required to register to the conference via the following link:
https://services.eai.eu/regauthor/366971
Please note that the Camera-ready upload is only enabled after registration is completed. For card payments, this is immediate; however, bank transfers may take up to 5 business days from the day the payment is sent. Therefore, kindly proceed with registration in a timely manner to ensure the Camera-ready deadline is met.

In case the registration link above is not yet active, this means that registration will open soon – please, check the conference website for news.

For your role as Author, you have received 12 credits towards your EAI Index (see your current Index on your EAI profile here:(<you are not registered with EAI>)). The credits are calculated based on quantitative evaluation of your submission by the TPC committee.

Become a Senior Member, Distinguished Member, or a Fellow by earning more credits.
Get involved in the community:

• Bid to Review recently submitted papers in Community Review: https://eai.eu/community-portal/

• Submit to our open conferences (https://eai.eu/conferences) or journals (https://escripts.eai.eu/publication).

It is required that the author registers using the same email address that has been listed in Initial Submission (if you are unsure, it is the one to which you received this notification). Once the paper is registered, any author can perform the Camera-ready submission.

Please note that your submission has been accepted on its current scientific merit; therefore, only revisions strictly based on reviewer comments, grammatical or stylistic changes, and listing author and project funding information are allowed.

Thank you for being a part of the EAI Community. To learn more about our transparent research recognition program, please visit the EAI website: https://eai.eu

By taking part in EAI FISAT 2026, you help advance EAI's mission toward open research and innovation via community-driven mentorship, review, recognition, and building a bridge between European and International research.

Thank you for being a part of the EAI Community.
